District Attorney Announces Filing Decision on Misappropriation of iPhone

The San Mateo County District Attorney's Office has filed misdemeanor charges against two individuals for the misappropriation of an iPhone 4 prototype that was lost by an Apple employee and subsequently recovered in a Redwood City establishment by the defendants on March 25, 2010. Brian Hogan, 22, of Redwood City was charged with one count of misappropriation of lost property, and Sage Wallower, 28, of Emeryville, was charged with misappropriation of lost property, and possession of stolen property. Their arraignment is scheduled for Thursday, August 25, 2011 at 9:00 in Redwood City. After a consideration of all of the evidence, it was determined that no charges would be filed against employees of Gizmodo.
